December 6, 2022

MCRC Chairperson, Mickie Niland and the members of the EGC,

This written request is submitted pursuant to the MCRC Bylaws ARTICLE I, SECTION 2 which gives the EGC the authority to rule on Legislative District matters and ARTICLE II SECTION 4 F which permits a timely challenge. I am joined in this request for assistance from the EGC by Glenn Reinier, and Hal McCall.

Legislative District 3 held its election meeting on December 1, 2022, for the purpose of electing district officers and state committeemen. I was a candidate running for state committeeman and I lost by 1 vote.

According to the Official Call letter dated November 19, 2022, Rules #4 states voting credentials and ballots shall not be passed to another person. In Glenn Reinier, written statement (see attached) he saw Tim Horn turn in 2 ballots for someone else which is a violation of the AZ Legislative District 3 Republican Committee 2022 Bylaws ARTICLE VI – MEETINGS & QUORUM, SECTION 2 that no reassignment of proxy rights shall be permitted.

Also, the Official Call letter Rules #5 admittance to the meeting room will be restricted to current LD3 PCs eligible to vote. Was in violation see attached Hal McCall's written statement.

This is my official challenge of the election for a hand recount of the ballots and canvas of the proxies because the Official Call letter Rules #4 and #5 were in violation per the December 1, 2022 organizational meeting rules and in violation of LD3 Bylaws.

I am requesting a hearing before all of the members of the MCRC committee with the exemption of Candace Czarny, LD3 new district chair who is a respondent to the complaint. I request a secret ballot by the members with the exemption of the voting members from LD3 for conflict of interest. I also, request no legal counsel for the county be present at the meeting.

Sincerely,

Carol Torkko
New River Precinct Committeeman
